The Seed Points for this list are calculated as follows:

Result = Race Point + Race Penalty Point (as shown above and on most race results)

Seed Point = the minimum of:

- a. Last year's end-of-season seed point (the basic points), or
- b. Average of the best two results this season (from different venues), or
- c. Average of the best result and the basic points, or
- d. Best result this season plus 20% (minimum load 10 points)
