

## Homologated Timing Equipment

All British Calendar races must use homologated timing equipment

For snow races this means equipment with a current homologation (shown in black)

For artificial slope races this means equipment that is current (in black) or within two years of expiry (in red)

Brand	Device	Model	Homol. Number	Valid until	Comment	
AGIL	Timers	IMHP 870	AGI.078T.09	2024	With external printer
