

SNOWSPORT ENGLAND

COURSE SETTERS 2008 v3.0 (MARCH)

- “C” List Set club and regional races without supervision
 “C” List Setters may set courses for CN under the supervision of an ‘A’ or ‘B’
 List Setter or TD
- “B” List Set Club National courses without supervision
- “A” List Set any courses without supervision

List A and B Revalidation is attained by attending at least one Course Setters’ Forum every 3 years, and setting at least one CN or GP course during this period

It is hoped that List C Setters will seek upgrade to List B after gaining appropriate experience so that the pool of setters for CN and GP can be maintained.

Date by name indicates date of qualification (where documentation is held by STP) or first inclusion in list (as far as records indicate), whichever is the earlier

List A
